Subject Dr Dobson's pay & allowces for the period he officiated as Civil Surgeon at Mysore during Dr Benson's absence on 3 months leave -

Memorandum on

Dr Benson, Civil Surgeon, Mysore, went on 3 Months' furlough to England from 4th July to 4 October 1888, and the Diwan requested the Resident to lend to the Mysore Govt the Services of Dr Dobson, Residency Surgeon to act for Dr Benson, informing at the same time that so long as the former remained under the Mysore Service, he would get an increase of 300 Rs a month to his substantive pay as remuneration for the Jail and the Maternity in Mysore, and the Chemical Examinership charges.

2. The Asstt to the Resident stated in reply that, Doctor Dobson's Salary without the Contribution to pension would be Rs 1050 (750+300) and with addition of the Contribution 1225 (1050+175) and whether he was at liberty to inform the Govt of India that Doctor

to give to Dr Dobson consist-

Local allowances were not (3) Chemical Examination
included in Salary, that the
pensionary Contribution Cal-
culated on his Substantive
pay of Rs 750 was Rs 125

would be the gross Salary
of Dr Dobson of which Rs 125
was to be paid as Contribution

4. The Comptroller informed × No: 1490 dt 9th August 188
Govt that the Asstt: Genl:
Madras had written to him
to say that Doctor Dobsons
officiating allowances as
would

would amount to Rs 800, without including the Local allowances for being in charge of Maternity, Jail & Chemical Examiner's office. The details of the calculations being unintelligible to the Comptr. I, he made a further reference to the Acctt: Genl. & ascertained them to be as shown in the margin* 5 On the strength of the Acctt Genl's letter referred to above ~~the President was informed~~ that Dr Dobson was entitled, while employed in Mysore, to a Salary (including the offg allowance) of Rs 800 ~~per~~ a month in addition to the Local allowance of Rs 300, for the charge of the Maternity and the Jail in Mysore and the Chemical Examiner's office ~~the Govt Resolution was informed~~ that the Durbar would be willing to allow Dr Dobson to draw Rs 800, as salary during the period he acted for Dr Bruson instead of Rs 750 as made out in the Dewan's D.O. dated 7th Sept.

6. The marginally noted Statement, shewing the pay ~~drawn~~ due to and the pay drawn by Dr Dobson, was submitted to this office by the Comptroller. The Dewan's D.O. (Mrs. Chudamani Raman) dated

7. The Asstt to the Resident was requested to call upon Doctor Dobson to refund Rs 165-5-2 overdrawn by him

8. The Asstt Resident in reply to the above, Stated that, the Calculation upon which the Sum of Rs 165-5-2 had been drawn by Dr Dobson, in excess of his pay during the period he acted for Dr Bruson at Mysore, appeared to him to be based on the Substantive pay of Doctor Dobson being understood by the Durbar to be Rs* 750 instead of Rs 800 per month, and that according to the Calculations of the Asstt: Genl: Dr Dobson's Substantive pay should be Considered as Rs 800 and that such being the Case, no Excess of pay had been Drawn by Doctor Dobson.

9 The Comptroller was thereupon requested to explain how the Sum of Rs 165-5-2, which was reported to have been overdrawn by Dr Dobson were Calculated, the Comptr

in reply referred to his office
No: 2220 dy 29.8.91 (vide

therein given in the marginal paras 9 &
10 Dr Mc Jenn is not for
asking Dr Dobson to refund
Do dy 29th June 1892. Rs 165-5-2, for, he says, that
Dr Dobson went to Mysore
under the impression that he
would get Rs 850 exclusive
of allowance, that the allow-
ances gave him only a net
increase of Rs 100, that he
put himself to much expense
to oblige the Mysore Govt, as
Mrs Dobson was, at the time,
ill, and there was sickness in
her household, that he had
to keep a house in Bangalore
as he dropped two
pt Bangalore
for charge of the
Lunatic Hospital
still paying 100 or 110 Rs a
month, and that to take Dr
Dobson's unemployed pay as
the basis of calculation is not just, in as much as
his pay as Surgeon Major
under 20 years service of a
2d Class Civil Station is Rs
750, And concludes by saying
that since it is a question
of Rs 165 only, and that Govt
might urgently require his
services again he might as

well be allowed to have it.

Thus the question now pending for decision is, whether or not Dr. Dobson is entitled to refund the excess of Rs. 165-5-2 said to have been over-drawn by him while acting for Dr. Benson in 1888.

A draft reply to the Assistant Resident put up by the Head Dr. Officiating the file.

Submitted for orders.

Bangalore
5th & 4th July 1888

My dear Mr. Wedderburn

The increase of Rs 300/ a month which the Durbar proposes to give to Dr. Doban consists of the local allowance of Rs 100/ for each of the charges of (1) the Mysore Jail, (2) the Maternity and (3) Chemical Examination and as Local allowance are not included in "Salary" (Vide Definition Civil Pension Code), it seems to me that ~~Dr. Doban will have to pay contribution only upon~~ his substantive salary of Rs 750 ~~The pensionary contribution on Rs 750 would be~~ at Rs 125 ~~which~~ per month

The pensionary contribution calculated on

~~[illegible] be paid~~
~~[illegible]~~, so that
Rs 375 would be the
gross salary of Dr. Dobson,
of which Rs 125 is paid
as contribution towards
his pension, and the balance of Rs 250 is retained by him in addition to local allowance Rs 300/- also up to.

I would at the same
time ~~invite~~ attention to
Rule 1, section 9 of the
Civil Pension Code, under
which no contribution ~~is~~ is leviable
~~will be~~ from an officer
who is transferred to
foreign service for a special
temporary duty not lasting
more than six months.
~~I think~~ Dr. Dobson's
~~transfer~~ employment is obviously temporary
under the Durbar falls
under this rule, ~~so~~
~~in this case no contribution~~
~~should be~~ paid by the
Durbar -

lasting only for 3 mos & therefore in my opinion,

Resident Medical Officers in Colleges and Hospitals.
Secretaries and Statistical Officers to Inspectors-General.
Secretaries, Sanitary Commissioners.
Examiners, Medical Accounts.

5. Officers holding the appointments marginally noted are debarred private practice.

This rule will not, however, be enforced in the case of any present incumbents who may have received authoritative permission to engage in such practice.

6. Medical Officers holding appointments at the Presidency, and not provided with public quarters, will be granted Presidency house-rent according to relative rank, and on the scale granted to Officers of the Staff Corps holding appointments at the Presidency towns.

The grant of Presidency house-rent is limited, however, to salaries not exceeding Rupees 1,400 per mensem.

7. The allotment of Civil Stations and Residency charges to their respective classes will be notified hereafter.

8. In order to render this scale of Indian Medical salaries more complete, the salaries of the administrative appointments and regimental charges already provided for in Government General Orders No. 1060 of 1864 and No. 901† of 1866, have been included.

* Madras G.O.G., 6th January 1865, No. 9.
† Do. 13th November 1866, No. 421.

9. Officers of the Indian Medical Service will be on the same footing as Military Staff Officers as regards pay and allowances to be drawn while absent on leave—the pay of their rank as laid down in para. 29 of Government General Order No. 1060 of 23rd December 1864 being in all cases taken as the basis of the calculation of the moiety due to the absentee and to the Officer officiating—present incumbents being allowed the privilege of receiving, during such absence, either the allowance thus due to them under the Military Regulations under the revised scale of Regimental pay and Staff salary, or that to which they would have been entitled under the old scale both of pay and staff allowance.

10. The scale of salaries now sanctioned will be brought into operation from the 13th of November 1866, the date of the receipt of the instructions of the Right Hon'ble the Secretary of State, and be made to apply in all cases where there is no reduction in the present aggregate salary.

11. Present incumbents, whether drawing the old regimental rate of pay with, or the new regimental rate of pay without, staff salary, will have the option of retaining such rates, if more beneficial than those now ordered, except in cases where the salaries have been specially fixed, pending the revision now brought into effect.
